

eRack Kit - 1U Rack Mounting Kit For e32

The Pivitec eRack kit provides for mounting of up to three e32 Personal Mixers in a 1U Rack space. Ideal for using the e32 with other rack mounted gear such as wireless IEM systems, power amps or console interfaces, the eRack Kit provides full access to all e32 audio and network connections. The eRack Kit features integrated fan cooling and will work with other Pivitec modules utilizing the same mounting chassis as the e32.

Features:

- Standard 1U Rack Mount
- Mount up to 3 Pivitec e32 or similar units
- Integrated fan cooling
- Made in USA

Accessories:

eRack Kit Cradle:

1 cradle required for each unit to be rack mounted. (Order separately)

Filler Panel:

Covers unused spaces and ensures proper air flow and cooling. (2 sets included).

Specifications:

Physical	19" w x 1.75" t x 6.5" Deep / 1U
Power	12 VDC (for Fans) Power Supply Included

116 Research Drive, Ste. 2208, Bethlehem, PA 18015, USA
